

The CW Philly Casting Call Rules: “America’s Next Top Model Cycle 16”

- (a) Applicants may download an application (including a release form) from www.cwtv.com or cwphilly.com, fill it out and **bring** it, along with the required documents and photos, to the casting call. Applicants may also complete applications/release forms on-site during the casting call hours. Applicants with fully completed applications will be videotaped as time permits, and their completed application package sent to America’s Next Top Model.

The CW Philly will be facilitating the taping of auditions for those that need assistance. Those being taped on-site will have a maximum of two minutes (2:00). If you have a videotape already made, you may drop off your completed application at the casting call without waiting to audition, or apply by mail, following the directions on the Eligibility Requirements. **No representatives from America’s Next Top Model will be present at this event.**

- (b) The last person is scheduled to be videotaped at 1 PM. Taping of any applicants who may still be in line after 1 PM is not guaranteed. Taping of any applicants who are still completing their applications at that time is not guaranteed. Applicants who are not videotaped by the taping deadline will need to apply by mail directly to the show, following the directions on the Eligibility Requirements.
- (c) You may also apply by mail by sending a Completed Application and audition tape to America’s Next Top Model. Follow the directions on the Eligibility Requirements.
- (d) The CW Philly is not responsible for late, lost, incomplete, postage due, misaddressed, misdirected, illegible or stolen applications and/or Audition Tapes. One (1) Audition Tape per person. The CW Philly will be forwarding completed application packages from the casting call, including Audition Tapes, to America’s Next Top Model.
- (e) All completed application packages, including application forms and Audition Tapes, become the sole property of America’s Next Top Model and will not be returned. By submitting an application and/or Audition Tape, each applicant agrees to abide by these rules, and warrants and represents that her application form and Audition Tape is her original work.
- (f) Applicants will abide by all rules as posted on the cwphilly.com and cwtv.com websites.
- (g) Applicants should read complete rules and eligibility requirements as posted on-line.
