- To provide meaningful results and to protect the privacy of individual students, data are printed only when the total number of students in a group is at least 10 and when the performance of individuals would not be disclosed. This presentation of data is shown with a dash (-).
- Percentages are rounded to the nearest whole number.
- Achievement Levels 3-5 are grouped together for comparison since the percentage "at or above grade level" is necessary for federal AYP reporting.
- Content area results are not intended for comparison across administrations.
